MEDI DERMA PRO

MEDI DERMA-PRO

Foam & Spray

Incontinence Cleanser and

Skin Protectant Ointment

Medi Derma-PRO Cleanser and Ointment provide maximum barrier protection from moisture-associated skin damage (MASD) on moderately to severely damaged skin.

Features & Benefits:

- Non-Sting formulations, pain free application⁽¹⁾
- Suitable for use on paediatric patients⁽²⁾
- Alcohol, fragrance, latex, parabens and phthalates free, not made with natural rubber latex

Cleanser:

- Effectively removes even dried-on bodily fluids
- Soft, non-sticky skin feel to promote patient comfort
- pH-balanced
- No-rinse formulation - minimising skin rubbing and potential friction damage
- Foam & spray modes for easy application to difficult-to-reach area

Ointment:

- Long lasting protection - resilient, hydrophobic protective barrier from moisture-associated skin damage
- 'Tacky' consistency ensures the ointment adheres well to moist skin and wounds⁽¹⁾
- Does not block absorption of incontinence pads⁽³⁾
